## **Board of Supervisors Increases Funding to Complete Big Bear City & Moonridge Road Improvements**

On Tuesday, the Board of Supervisors approved expending an additional \$60,388 to complete road improvements to Butte Avenue, Colusa Drive, Sun Crest Court, Trinity Court, Angeles Blvd, Barker Blvd, Bufflehead Drive, Fairway Blvd, Mountain View Blvd, and Teal Drive in the Big Bear City and Moonridge areas.

The \$183,309 contract, originally awarded to Ortiz Asphalt Paving on July 10, 2007, needed to be increased to account for additional work required to properly resurface the roads. The new contract amount is \$243,697 to complete the work.

"This project is important to the people of Big Bear City and Moonridge," said Third District Supervisor Dennis Hansberger. "We need to improve our roads, but we need to be even more certain we do it right," he said.
